Commerce and Distribution of Dry Ice Products

Dry ice „Made in Saarland“

Your partner in Saarland for
qualitative dry ice products
of all types

For many years now, the founders of **AMG-Tech GmbH**, Stephan Graf and Abduljabbar Alokaidi, have been fascinated with the **various usages of dry ice**.

Being the founders of Saar Industrie Service GmbH as well, one of the leading cleaning companies in Saarland, they have acquired valuable **insights** from the **consumer's point of view**, especially into the **technique of dry ice blasting**.

These experiences are being channeled into the production of dry ice, and thus guarantee a qualitative end product.

Abduljabbar Alokaidi

Dry Ice „Made in Saarland“

AMG-Tech GmbH is the main provider of dry ice products, especially in **Saarland and the wider region**. We know that shorter transportation routes equal a better **quality** of dry ice.

Our Dry Ice Products

- We produce **dry ice pellets and nuggets** of all sizes and varieties with a **pressure of 180 bar**.
- We produce Pellets in the sizes **3mm, 6mm/9mm/13mm** or Nuggets of **16mm**.
- Special products such as **blocks and slices** upon demand.
